NOTICE OF CHANGE ELECTRONIC FUND TRANSFERS AGREEMENT AND DISCLOSURE

The following information pertaining to debit cards is added to the Electronic Fund Transfers Agreement and Disclosure that was previously provided to you:

Card Information Updates and Authorizations. If you have authorized a merchant to bill charges to your card on a recurring basis, it is your responsibility to notify the merchant in the event your card is replaced, your card information (such as card number and expiration date) changes, or the account associated with your card is closed. However, if your card is replaced or card information changes, you authorize us, without obligation on our part, to provide the updated card information to the merchant in order to permit the merchant to bill recurring charges to the card. You authorize us to apply such recurring charges to the card until you notify us that you have revoked authorization for the charges to your card.

Your card is automatically enrolled in an information updating service. Through this service, your updated card information (such as card number and expiration date) may be shared with participating merchants to facilitate continued recurring charges. Updates are not guaranteed before your next payment to a merchant is due. You are responsible for making direct payment until recurring charges resume. To revoke your authorization allowing us to provide updated card information to a merchant, please contact us.

The terms of the Electronic Fund Transfers Agreement and Disclosure (Agreement) are revised as described above. Please keep a copy of this Notice with the Agreement. Except as set forth in this Notice, the Agreement is unaffected and shall continue in full force and effect in accordance with its terms. If there is a conflict between this Notice and the Agreement, the terms of this Notice will prevail.
