June 2018

BE PREPARED FOR HURRICANE SEASON

It is that time of year again. Hurricane season is here and now is the time to prepare for any possible events that would threaten our area. Start now and get an emergency plan in place for your family, home and pets. We never know when disaster will strike. If it does, there are a few things that you can do today to ensure that you will have access to your money.

- * Go direct deposit
- * Get an ATM/ Debit Card
- * Get signed up for Homebanking
- * Get a Visa Credit Card

During an emergency situation you may not be able to rely on debit cards if phone lines and networks are down. Make sure to plan ahead by getting extra cash out and carry a check book with you.

Due to the unpredictability of potential storms, we are not always able to give advance notice as to when the Credit Union may have to close. Acadian Federal Credit Union will remain open as long as reasonably possible; however, we will take careful steps to ensure the safety of our staff and members by closing early.

Watch our website to get the latest updates if Acadiana should be threatened by a possible storm. There you will get information on where to go to be able to get cash, make deposits, or pay on a loan and alternative contact phone numbers for you to be able to contact us.

ANNUAL NOTICE REGARDING NON-VISA PINLESS DEBIT TRANSACTIONS

You may use your Visa Debit Card to initiate both Visa debit transactions and non-Visa debit transactions without using a personal identification number (PIN) to authenticate the transactions. To initiate a Visa debit transaction, you may sign a receipt, provide a card number or swipe your card through a point-of-sale (POS) terminal and choose to route the transaction over a Visa network. To initiate a non-Visa debit transaction, you may enter a PIN at a point-of-sale terminal or, for certain bill payment transactions, provide the account number for an e-commerce or mail/telephone order transaction after clearly indicating a preference to route it as a non-Visa transaction. We have enabled non-Visa debit transaction processing on the Pulse, Plus or Cirrus network(s). The rights and protections applicable only to Visa debit transactions, including additional consumer liability limits and streamlined error resolution procedures, as described in your Electronic Fund Transfers Agreement and Disclosure will not apply to transactions processed through non-Visa networks. Please contact the Credit Union with any questions you may have regarding this notice.
